

Rehab and treatment facility cleaning: what we clean

Carry this sheet on the walkthrough with your program director and mark each space.

Program _____ Address _____

Walked with _____ Date _____

Resident rooms, after staff give the go-ahead

- ☐ Ledges, headboards and dressers dusted
- ☐ Door handles, light switches and closet pulls
- ☐ Wastebaskets emptied
- ☐ Carpet or resilient tile floor finished
- ☐ Belongings left where residents placed them
- ☐ Room with someone resting picked up on a later pass

Lounges, group rooms and offices

- ☐ Upholstered seating vacuumed; side tables and remotes wiped
- ☐ Group room chairs straightened, armrests and tabletops wiped
- ☐ Whiteboards cleared when staff ask
- ☐ Counselor offices cleaned while empty
- ☐ Charts, screens and desk papers left alone

Lobby

- ☐ Entry glass and reception counter
- ☐ Visitor seating and the guest restroom
- ☐ Lobby floor each visit

Showers and restrooms

- ☐ Shower walls, floors and curbs scrubbed
- ☐ Toilets, sinks and partitions
- ☐ Mirrors and fixtures shined
- ☐ Every dispenser kept full

Dining rooms and kitchenettes

- ☐ Tables and chair seats after meal service
- ☐ Counters, sinks and appliance fronts
- ☐ Food scraps bagged and floors mopped

Protocol and terminal cleans

- ☐ Products and surfaces from your housekeeping protocol
- ☐ Visible soil removed first
- ☐ EPA-registered disinfectant left on for the label dwell time
- ☐ Handrails, door levers, keypads, phones and shared tablets
- ☐ Terminal clean after a discharge, from vents and lights down to the floor
- ☐ Bed frames, mattress covers, drawers and closet shelves in a terminal clean
