# Veterinary clinic cleaning: what we clean

Check off each room as your practice manager walks the clinic with us after hours.

**Clinic** _____ **Address** _____

**Walked by** _____ **Date** _____

## Lobby and check-in

- ☐ Entry glass and door push plates
- ☐ Benches and chairs wiped
- ☐ Check-in counter and payment terminal
- ☐ Scale platform wiped
- ☐ Pet food and leash shelves dusted
- ☐ Bins emptied; floors vacuumed and mopped into the corners

## Client restrooms

- ☐ Toilets, sinks, mirrors and counters
- ☐ Floors cleaned and dispensers refilled

## Exam rooms

- ☐ Steel table and the counter beside it
- ☐ Sink, cabinet pulls, door lever and switch plate
- ☐ Order and product taken from your protocol
- ☐ EPA-registered disinfectant left wet for its label dwell time
- ☐ Floor mopped out toward the hallway door
- ☐ Terminal clean when staff book one

## Treatment, surgery prep and wards

- ☐ Entered once staff release the room
- ☐ Countertops, sinks and cabinet faces
- ☐ Door hardware and floors
- ☐ Equipment, medications and charts left as found
- ☐ Occupied runs worked around quietly, in your order

## Fur, odor and grooming

- [ ] Baseboards and edges vacuumed each visit
- [ ] Under waiting-room seating and return-air grilles
- [ ] Debris lifted from treatment and grooming floor drains
- [ ] Mop sinks scrubbed
- [ ] Grooming walls and tub surrounds wiped top-down
- [ ] Outside of tubs and dryers once groomers pack up

## Offices and floors

- [ ] Staff break rooms and doctors' offices
- [ ] Sheet vinyl and VCT mopped
- [ ] Floor stripping and waxing on a weekend

## Notes
